My name is Renee' Hill I am the
mother of Harold Hill ⁹¹¹³⁴⁻⁰⁵⁴₃₅₈₂ I once sat
in your court room to witness the
sentence you hand down or punishment.
Harold is a very sick man with a serious
Respiratory condition taken multiple
medication daily I am writing you
this letter to reach your heart IF this
Coronavirus infect my son he would
not survive this He was sentence 84 months
not a death sentence I watch my son
turn his life around as he grew older.
He missed His fathers funeral and he
probably miss mines where is the
compassionate on humans life.
The virus Covid 19 is growing in
the facility where he is house
At Harold sentence you said for Harold
to remain in the metropolitan area
He all the way in Indiana Terre Haute
care Level 3 for Asthma

I have not been able to visit my son he was sent too far away from his family I lost two member of my family from coronavirus. To me it seems like the compassionate release is for the Rich and white inmate only. The government need to identify medically vulnerable inmates such as those with Lung or Heart condition. please understand my concern. please reevaluate Harold medical condition.

Thank you
